You should consider whether there is a real incentive for you to teach online. TakeLessons Classroom solves that problem and does not require you to download any software.

Notify me of followup comments via e-mail. Creating a private group for your course students is a great way to increase the value of your online course. Students often find materials online that you are not aware of, having them contribute relevant materials to the course will keep your course current and students enjoy contributing materials and seeing them used in class.

Hi, Thanks for all the wonderful information. Temple has formed an online learning environment in mind that some demonstrations involving a whole classroom of people cannot be done when students are all in different places, but you do have the opportunity to include videos and tutorials that may not have been used in the classroom. I have found it to work .
